# Omkar Jadhav

Kolhapur , Maharashtra — omkar7078jadhav@gmail.com — 7821015201 — LinkedIn — GitHub

## Professional Summary

I have completed my Diploma in Computer Engineering and am currently pursuing a Bachelor's degree in Computer science Engineering at Sanjay Ghodawat University, Kolhapur. I am interested in cloud computing and infrastructure management. I have basic knowledge of Linux, AWS services such as EC2, S3, and IAM, as well as Auto Scaling, Load Balancing, and Docker. I am also familiar with tools like PuTTY, PuTTYgen, Git, GitHub. I work well both independently and in a team. I am looking for an opportunity to improve my skills, gain practical experience, and build a successful career in the IT industry.
